Kasia,

I have begun processing your request and have determined that approximately 25 hours are necessary to gather the requested records, at a cost of approximately \$350.00. It will produce most of the records electronically in pdf format. If you wish for us to proceed, we will do so upon receipt of a check made out to the District School Board of Collier for \$350.00. If the information exceeds this amount, we will request the additional money for documents. If \$350.00 turns out to be too much, a refund will be issued for the difference as to your wishes regarding this request.

Thank you,

Sarah Hamblett
